

Vacancy Announcement

The National Development and Innovation Committee (NDIC) of Mongolia and UNDP supported Poverty, MDG Monitoring and Assessment system project (PMMS) announce **short-term local consultants (5 persons)** to assist in conducting the monitoring and evaluation of Millennium Development Goals based National Development Strategy implementation for the 1st phase (2008-June 2010) and report the findings.

Monitoring and evaluation local team consist of:

- Team Leader with strong experience in leading evaluation teams;
- A macroeconomist/public budget analyst (one) with knowledge of the budget system of Mongolia who would be able (1) check whether the intended macroeconomic guidelines have been respected and (2) to identify the various budgetary allocations throughout the years (including for the projects and programs aiming at supporting the implementation of the NDS);
- Three sectoral experts: Social sectors, Productive sectors and Cross cutting issues such as employment policy, infrastructure etc.,
- One legal analyst who will review the activities regarding legal and administrative reforms and will support the other specialists through his/her review of newly introduced sectoral regulations.

The monitoring and evaluation work will be conducted with close cooperation with the NDIC involving wide range of central and local institutions with the participation of relevant professional and research organizations and NGOs.
